

Greetings!

The Malayan Colleges Laguna (MCL), a wholly owned subsidiary of MAPUA University, will hold the MCL CUP 2017 on November 11 – 18, 2017. This annual event is a week-long activity which involves challenges in the form of competitions that cater to aspects of learning such as Knowledge, Attitude and Skills. In this challenging year of the K to 12 transition, we still expect a good number of Junior and Senior High School participants coming from schools in Region IV-A and nearby regions. Participating schools will compete in 12 exciting events featured this year as they vie for the title MCL CUP 2017 Champion.

As we move ahead to another great and fun-filled year for the MCL Cup, we would first like to express our sincerest gratitude to your institution for your active participation in the MCL CUP 2016 for without which the said event will not be successful. To continue with this legacy of triumph, it is both with immense appreciation and utmost humility that we are extending this invitation for your school to again be part of MCL Cup 2017. We share with you our commitment of instilling among young individuals the culture of excellence in academic and co-curricular activities that they engage in, and at the same time keeping modesty in their achievements.

Together with this invite, please find attached the general guidelines that you can refer to for more information and details of all the events. Do not hesitate to contact us for your questions and clarifications.

We are looking forward for your full support and cooperation.

Thank you very much and God bless.

Sincerely,

DR. JOY G. HOFILEÑA
Over-All Chair
MCL Cup 2017
