

### **STUDENT INFORMED CONSENT**

1. I am a student of Malayan Colleges Laguna, A Mapua School (MCL), and I understand that I was given the option to attend either fully online remote classes, face to face (F2F) classes, or both offered by MCL in accordance with CHED, DOH and IATF guidelines.
2. I understand that if I choose to attend F2F classes during the academic year, I agree to comply with MCL requirements pursuant to CHED and DOH, IATF and other government issuances including full vaccination for those attending F2F classes. Students attending such classes are required to be fully vaccinated at least two (2) weeks prior to the start of the term.
3. I understand and acknowledge that MCL has put in place and is strictly implementing protocols, safety rules and precautions to mitigate and control the spread of COVID-19 within MCL, pursuant to IATF, DOH, CHED and other government issuances on COVID-19.
4. I understand that MCL, in implementing such health and safety protocols, is exercising the due diligence required to safeguard the health and safety of its students including but not limited to: requiring the submission of health declarations; regular and proper disinfection of rooms and facilities; providing adequate ventilation; implementation of the required distances for physical distancing in classrooms, canteen and school facilities; proper handwashing and hand sanitizing among students and employees; cyclical shifts for limited face to face classes; limiting the mixing of students between classes or in the use of facilities within the campus; and other policies to help prevent and control the spread of COVID-19.
5. I acknowledge having read and understood such protocols, rules and precautions and undertake to strictly comply with such policies, which may include, but are not limited to: accomplishing required health declarations; mandatory wearing of face masks (and other PPE required, if any); proper hand washing and hand sanitizing; observing social distancing; and strictly observing the latest advisories issued by MCL to supplement existing protocols on COVID-19. I understand that failure to comply with these rules and precautions is a violation of the MCL's policies and may possibly subject me to sanctions under MCL policies.
6. I also acknowledge that the nature of the MCL campus, buildings or facilities limits MCL's ability to control students and visitors on campus despite the strict implementation of health and safety protocols. I recognize that MCL, despite health and safety protocols being implemented, cannot totally eliminate all potential sources of COVID-19 infection.
7. I understand and acknowledge that it is my responsibility to ensure that I do not put others at risk of exposure to COVID-19 by following MCL's health and safety protocols. I undertake to wear face masks (and other PPE required, if any) within the school premises at all times, exercise proper handwashing / sanitizing, and submit the required health declarations. In the event that I am not feeling well, or when I

or any member of my household develops any of the said symptoms or any other symptoms of influenza-like illness that may or may not be related to COVID-19, I will not attend my classes or enter school premises.

8. I recognize that given the nature of COVID-19, it is not possible to fully list each and every individual risk of contracting COVID-19. I confirm that I am aware and understand all information on COVID-19 that I may need to determine the risks associated in returning to the school campus and to make informed assumption of those risks in choosing the F2F option.
9. By signing this agreement, I acknowledge the contagious nature of COVID-19 and the fact that it may be difficult to identify all possible carriers of the virus, and the inherent risks of possible exposure to COVID 19.
10. I voluntarily assume the risk and responsibility in choosing to enroll and attend F2F classes including possible exposure to COVID-19 despite MCL's implementation of health and safety protocols.
